

103 – MALT Quarterly Series

Instructions to Subscribers for 2018

Sample	Shipping date	Online results submission deadline
Malt -Q1	December 21, 2017	February 28, 2018
Malt - Q2	March 22, 2018	May 31, 2018
Malt -Q3	June 21, 2018	August 30, 2018
Malt - Q4	September 20, 2018	November 30, 2018

Sample Handling

- Store samples at cool temperatures until testing.
- Samples should be well mixed prior to testing.

Test Methods

- ASBC Methods of Analysis are recommended when appropriate. ASBC method numbers are noted on the worksheets (available on the ASBC website and on the subscriber portal).

Laboratory Results and Reports

- Laboratory results must be submitted online at <https://labpt.aocs.org/login.cfm>. (Username and password required.) Do not forward hard copies of results or worksheets.
- Results must be submitted by the deadline to be included in the analyses.
- All report disputes must be resolved within 30 days of the date of report posting. There will be no allowance for any typographical errors or samples that have been switched or transposed.
- Final reports will be posted after the 30 day review period.
